

COPD Support Ireland/NCP Respiratory

Purpose of the group and proposed role:

A collaborative project to update the COPD & Me booklet (see additional information links).

Updating and/or adding content relevant to their discipline, in line with best practice guidelines.

There will be one virtual meeting (1hour approx.) to introduce the project and after that would work away on own piece and forward it back for review within an agreed deadline and one final virtual meeting (1 hour approx.). The project term is from March to August.

One HSCP is required from each of the following disciplines:

- Physiotherapist
- Speech & Language Therapist
- Occupational Therapist
- Dietician
- Psychologist
- Pharmacist
- Respiratory Physiologist
- Medical Social Worker
