

How to check and update your email address in your IIOP profile

To check or update your email address in your IIOP profile, you must first log in to your IIOP account. Once you are logged in, follow the steps below:

1. Click on the “My Profile” icon - this is located at the right-hand side of the page.

2. Select the “Edit” tab.
In this section you can view and change the details on your profile (if required).

View	Edit
