

## Resources for Pharmacists

- Guidance for medical oncologists on testing requirements by direct ordering to inform PARPi treatment options Available at <https://www.hse.ie/eng/services/list/5/cancer/profinfo/medonc/sactguidance/guidance-for-medical-oncologists-on-testing-requirements-by-direct-ordering-to-inform-parpi-treatment-options.pdf>
- NCCP Genomic Test Directory for Cancer Available at <https://www.hse.ie/eng/services/list/5/cancer/profinfo/medonc/molecular%20diagnostics%20ag.html>
- HSEland: Fundamentals of Genetic and Genomic Testing
- NHS National Genomics Education Programme <https://www.genomicseducation.hee.nhs.uk/>  
(Variety of resources - knowledge hub, videos, GeNotes)
- National Genetics and Genomics Office <https://www.hse.ie/eng/about/who/national-genetics-and-genomics/>
- National Strategy for Accelerating Genetic and Genomic Medicine in Ireland Available at <https://www.hse.ie/eng/about/who/strategic-programmes-office-overview/national-strategy-for-accelerating-genetic-and-genomic-medicine-in-ireland/national-strategy-for-accelerating-genetic-and-genomic-medicine-in-ireland.pdf>
- NCCP Hereditary Cancer Model of Care <https://www.hse.ie/eng/services/list/5/cancer/profinfo/hereditary-cancer-genetics>
- Specialist Interest Group Genomic Medicine in BOPA (British Oncology Pharmacists Association) <https://www.bopa.org.uk/membergroups/specialist-advisory-groups/specialist-interest-group-genomic-medicine/> (you may need to be a member to access some of these resources)
- RCPI Certificate in Cancer Genetics and Genomics <https://courses.rcpi.ie/product?catalog=Certificate-in-Cancer-Genetics-and-Genomics>

## Patient Information Resources

- Patient Information Leaflet : Testing to inform PARP inhibitor cancer treatment. Available at <https://www.hse.ie/eng/services/list/5/cancer/profinfo/medonc/sactguidance/testing-to-inform-parp-inhibitor-cancer-treatment-patient-information-leaflet.pdf>
- Marie Keating Foundation BRCA Peer to Peer Support Network <https://mariekeating.ie/brcasupport/>
- BRCA decision aid <https://www.brcadecisionaid.ie/>
- Lynch Syndrome Ireland <https://lynchsyndromeireland.com/>
- Prospective Lynch syndrome database (PLSD) - [www.plsd.eu](http://www.plsd.eu)
- ICS leaflet on Cancer and Genes [https://www.cancer.ie/sites/default/files/2023-12/WEB\\_Leaflet%20Cancer%20and%20Genes.pdf](https://www.cancer.ie/sites/default/files/2023-12/WEB_Leaflet%20Cancer%20and%20Genes.pdf)
- NGGO leaflet on genetic testing – available to download at <https://www.hse.ie/eng/about/who/national-genetics-and-genomics/> or to order on [www.healthpromotion.ie](http://www.healthpromotion.ie)
