

How to Book on and Access the online course: Pharmacist Seasonal Influenza Vaccination Refresher Level 2 Programme

This *Pharmacist Seasonal Influenza Vaccination Refresher Level 2 Programme* is an online course approved by the Pharmaceutical Society of Ireland (PSI). It is accredited by the Irish Institute of Pharmacy (IIOP) and has been developed and is certified by Hibernian Healthcare Ltd.

The following instructions will help you enrol on the course. The first step you will need to take is to ensure that you are eligible to take the course for the current vaccination season.

How will I know if I am eligible to take the course?

You should only take this course if you have completed training in the 2013-2014 influenza season and have vaccinated patients for two consecutive years (i.e. vaccinated in both the 2012-2013 and 2013-2014 seasons). If you are unsure if you are eligible you can check the PSI Training Needs Assessment Guide [here](#). You will be asked to declare your eligibility before enrolling on the course.

How much does the course cost?

There is no charge for this course. Once you are a registered Pharmacist, you will be able to enrol and immediately access the course content.

How do I enrol and access the course?

- To access the course go to the IIOP website www.iiop.ie
- At the top right of the website page click on [**Members login**] and enter the **Username** and **Password** issued to you by IIOP earlier in the year. (If you have any problems logging in send an email to support@iiop.ie with your name and PSI registration number).
- On the [**Courses and Events**] tab at the top of the page, select [**Courses**] from the dropdown menu.
- Click on the course name (at the bottom of the list of courses).
- In the page that opens, click the link [**Book me on this Event**] towards the end of the page.
- The **Declaration** that you are eligible to take this course will pop up – click [**Confirm**] if you are happy to proceed.
- You will now get a page that confirms your booking – this means you are now enrolled on the course. You can now click [**Go to Course**] to enter the course.
- All information you need relating to how the course works, assessment and certification are contained within the course itself.

What if I need help?

If you have difficulties logging in or want to report an issue with the course, please email support@iiop.ie and we will respond asap. If you have questions relating to the course content, assessment or certification, please email support@hibernianhealth.com.
